Submit a 7-minute video on the theme "Bridge to Tomorrow", describing what you see as an important element in determining the future of the profession. The top 4 videos from each of the six Continental Zones will advance to the Quarter-Finals.

Competitors will have the opportunity to discuss their video in a virtual Q&A session. This process will determine the eight competitors advancing to the Semi-Final round.

Semi-Finalists will participate on another virtual Q&A session to decide the 4 participants competing for the YAWC title at the ICA in Sydney in May 2023. Finalists will receive Flights, Accommodation and ICA Tickets for free!

Finalists will be able to update their video (or create a new one!), attend the ICA and convince the judges that you deserve to be named **YAWC Champion** during the Closing Ceremony!
